## About Us

EXTRO is India's premier emerging bath fittings brand and a leader in the bathroom products market. We carefully select the finest materials and manufacture to the highest International standards to deliver the best designs.

Ongoing investment in research and development enables us to bring in leading technologies for the bathroom industry. Our products are designed to last a lifetime and subjected to rigorous internal and external tests to warranty their longevity. Our internal life-testing center surpasses industry standards. All products are tested to ensure they exceed the expectations of our customers. Quality, technology and design are central to everything we do. We take pride in the performance of our products and offer 7 years warranty on all functional parts. This warranty demonstrates our commitment for delivering a lifetime of unique use experiences to our customers.
